Telephonically received from [redacted] 15 September 1967.

There will be a demonstration at the White House on Wednesday <sup>20 September 67</sup> at 12:30 attended by about 1 to 2,000 WSP members from all over the U.S. The local group is not too enthusiastic about the rally, however, they will participate. The ellipse will be the rallying place after which they will go to General Hersey's office where 5 persons have a permit to see the General. When these five persons are admitted, the office is to be rushed by others. After this, they will go back to the White House and each individual person will do whatever they wish to cause trouble, i.e., demonstrate, sit-in, lay-in etc.

The total time for this has been set for 4 or 5 hours.

Copy of above info to [redacted] for passing to [redacted] on 18 Sept.
